UNITED BANK OPENS NEW BRANCH

Submitted by Berkleigh Cirilli

The South Baldwin Chamber of Commerce recently held a ribbon-cutting to celebrate United Bank's relocation to a new, larger facility in Magnolia Springs. United Bank spent the month of August celebrating the grand opening of its larger, more functional facility on U.S. 98. The relocation occurred Aug. 7, but the grand opening period will extend to the end of September. Those attending the ribbon-cutting included, in no particular order, chamber diplomats Christi Koehle, Ryan Baker, Angie Johnston and Crystal Richards; Magnolia Springs branch manager Kellie Ridgeway; United Bank CEO Bob Jones; and bank representatives Pam Knight, Belinda Grantham, Erin Andrews, Judy Roberts and Phyllis Bell.
