**Walcott Adams Verneuille Architects Wins “Best of Design”
Houzz 2016 Award**

Fairhope, Alabama – Walcott Adams Verneuille Architects (WAV), located in Fairhope, Alabama, has won a “Best Of Design” award from [Houzz®](#), the leading online platform for home remodeling and design. WAV was chosen by the more than 35 million monthly unique users that comprise the Houzz community, from among more than one million active home building, remodeling and design industry professionals.

“We are honored to receive this award and to be part of the Houzz conversation,” said Mac Walcott, president of WAV. “Houzz offers users a unique way to express their architectural language visually, guiding and enhancing the conversation about their design journey.”

“Anyone building, remodeling or decorating looks to Houzz for the most talented and service-oriented professionals” said Liza Hausman, vice president of Industry Marketing for Houzz. “We’re so pleased to recognize WAV, voted one of our “Best Of Houzz” professionals by our enormous community of homeowners and design enthusiasts actively remodeling and decorating their homes.”

The Best Of Houzz Design award winners’ work is the most popular among the more than 35 million monthly users on Houzz. A “Best Of Houzz 2016” badge will appear on WAV’s Houzz profile, as a sign of their commitment to excellence, helping homeowners identify popular and top-rated home professionals in every metro area on Houzz.

About Walcott Adams Verneuille: Founded in 1986, WAV provides high quality design services to clients across the Southeast. As a firm, their philosophy centers upon two ideals: a strong belief in the value of quality design and a commitment to the unique journey that each of their clients choose. With each project, they “listen and learn” about the Owner’s unique functional needs to guide them through the design, construction and habitation process. From this single foundation, the firm has developed a reputation as one of the top-rated design firms. Rooted in Fairhope, Alabama, WAV has a team of 13, including nine registered architects, building a diverse portfolio of successful project
